Spectacular views

On Tuesday 13 October Brisbane's concierge community were invited to savour some gastronomic delights at Brisbane's newest restaurant, ARIA, co-owned and operated by celebrity chef Matt Moran and Peter Sullivan. ARIA stands in the old Pier Nine restaurant site on Eagle Street Pier, with spectacular views of the Brisbane River and the Story Bridge providing the perfect backdrop for diners. The atmosphere at ARIA is relaxed yet elegant with a fantastic contemporary menu using the freshest Australian produce. Together with their extensive wine list and great friendly service, ARIA will provide you with a memorable experience. Our food was well presented and the meals were impeccably married
