THE LOCAL SYDNEY MEMBERS OF

Les Clefs d'Or are pleased to announce the Concierge Ball is back on the social calendar this year with a Winter Wonderland extravaganza scheduled for mid-July. Having had to postpone last year's ball due to the financial crisis we are delighted to advise that the Four Seasons Hotel Sydney will once again be hosting our gala night of nights. This year's event will be held on Saturday 17 July and will coincide with the Les Clefs d'Ors Annual General Meeting being held in Sydney over the same weekend. In a first for the Society our interstate members will all be on hand to enjoy the celebrations and meet our many wonderful local supporters. Proceeds from our major raffle held on the night will once again go to the good people of St Anthony's Family Care, a charity we have been supporting for a number of years. With fine food, great entertainment and fantastic prizes on

The inner city suburb of Potts Point has undergone a major transformation in recent years and now boasts some of the city's finest restaurants and bars in its small locale. One such restaurant, Mezzaluna, played host to the recent concierge bi-monthly dinner and it clearly typifies the stylish new feel to this historic suburb. Nestled amongst the imposing terrace houses of leafy Victoria Street, Mezzaluna offers diners a panoramic view of the city skyline and superb modern Italian cuisine. Only a short cab ride from the city, Mezzaluna provides visitors with a unique dining experience in one of Sydney's vibrant new hotspots.

Ellerston Gems by Giulians

Gary Coffey was inspired by the intricacies of a watch movement when he began to design his pieces incorporating the Ellerston Sapphires. Tubular tubs of glass encase the sparkling pink stones, giving them freedom to move and dance like falling stars capturing light from all sides, whilst cords of silk challenge, adding a softness of texture. To present the stones in an alternative light, Gary has called on tradition and nestled perfect pink sapphire buds, amongst foliage of white gold and diamonds to create floral delights that would be at home in any beautiful garden.

The marriage between the two entirely different styles only enhances the versatility of these appealing and beautiful stones. Giulians has gained an enviable reputation for one of the most inviting showrooms in Sydney where the atmosphere remains relaxed. Visit Giulians at Cnr of George & Bridge Streets Sydney.
