Les Clefs d'Or

The International Concierge Association

The members of Les Clefs d'Or Australia will gather together in Melbourne from Friday 10 July to Sunday 12 July for their 27th Annual General Meeting. The meeting takes place at Chateau Yering in the famed wine region of the Yarra Valley. The AGM provides a medium for all active Les Clefs d'Or members to engage with each other in a spirit of fellowship and friendship, as well as being involved in the processes of shaping the society's present and future directions. Another important component of the event is the Concierge Workshop that will take place on Friday afternoon in the Yarra Room of The Langham, Melbourne. Since its inception a few years ago the workshop has created a positive foundation for an informative educational forum. We have also invited non-member concierge from the host city to be in attendance at the workshop thus providing an opportunity for them to liaise with the national membership as a whole.

Sydney Concierge Hospitality Night

The recent WHERE Magazine Sydney Concierge Hospitality Night was hosted by Keystone Hospitality, who put on a sensational evening that saw the concierge rove between Keystone's three King Street Wharf venues. Les Clefs d'Or members and other leading concierge and industry partners enjoyed amazing cocktails and canapés at The Loft, a wonderful dinner at Bungalow 8 and finished off the night at Cargo Bar & Lounge with cheese platters and after dinner drinks.

Upcoming Event

It has just been announced that the 2nd Annual WHERE Magazine and Les Clefs d'Or Concierge Golf Day will be held on Monday 14 September. Last year the event was a huge success with concierge at all golfing levels enjoying the Ambrose Competition and this year it is set to be even bigger, so be sure to mark it in your diary.

Ellerston Gems by Giulians

Gary Coffey was inspired by the intricacies of a watch movement when he began to design his pieces incorporating the Ellerston Sapphires. Tubular tubs of glass encase the sparkling pink stones, giving them freedom to move and dance like falling stars capturing light from all sides, whilst cords of silk challenge, adding a softness of texture. To present the stones in an alternative light, Gary has called on tradition and nestled perfect pink sapphire buds, amongst foliage of white gold and diamonds to create floral delights that would be at home in any beautiful garden.

The marriage between the two entirely different styles only enhances the versatility of these appealing and beautiful stones. Giulians has gained an enviable reputation for one of the most inviting showrooms in Sydney where the atmosphere remains relaxed.
